

MYŠKY

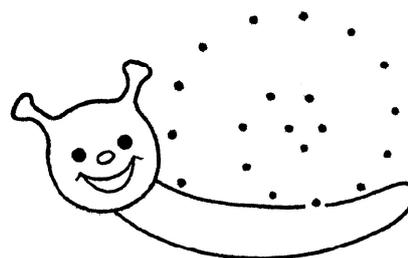

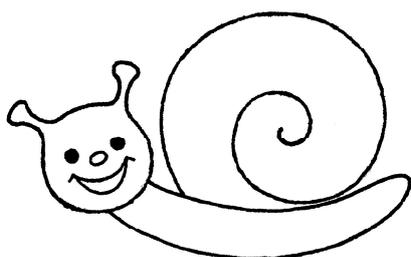

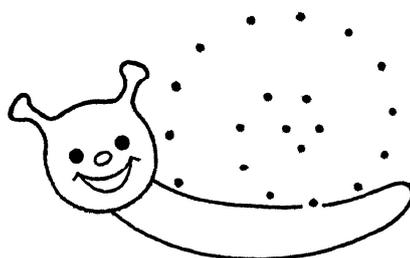

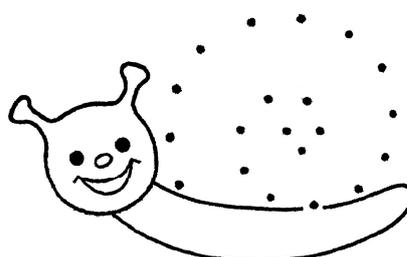

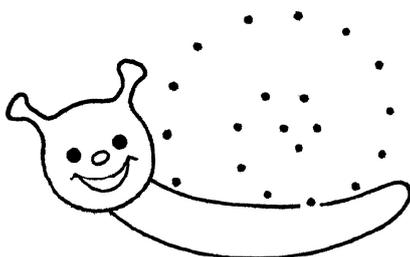

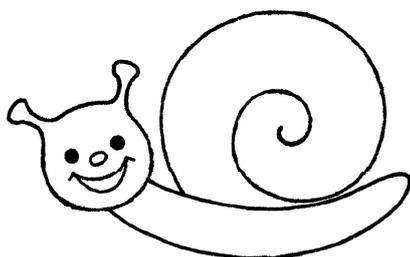

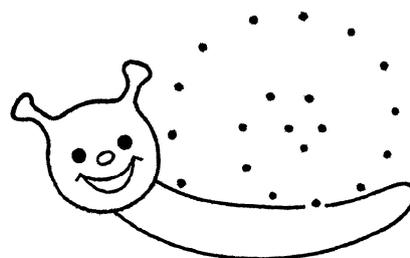

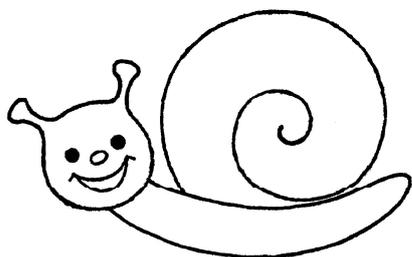

Nauč se správně držet tužku. Zkus po papíře kreslit, jako by tvoje tužka byla myška hledající díрку, ve které bydlí. Pár cestiček už myšky na obrázku vyšlapaly.

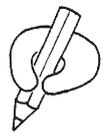

HLEMÝŽDI

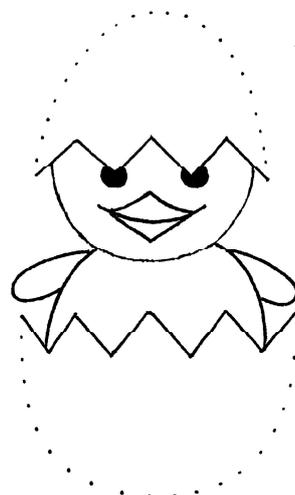

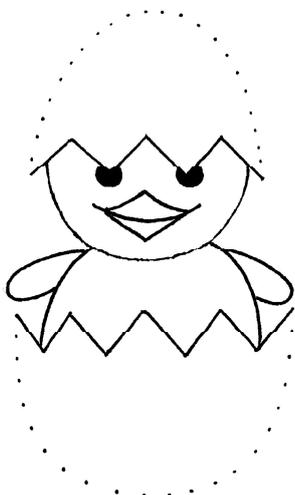

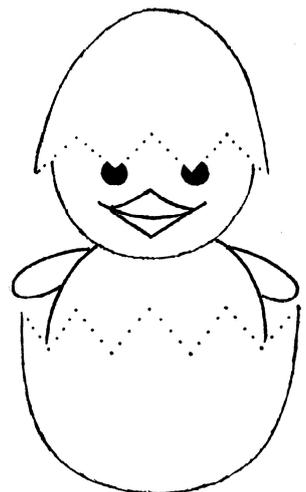

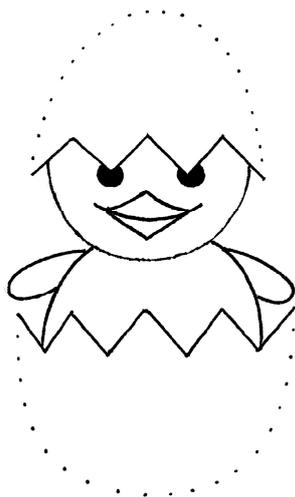

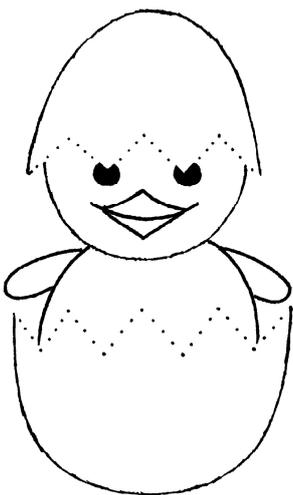

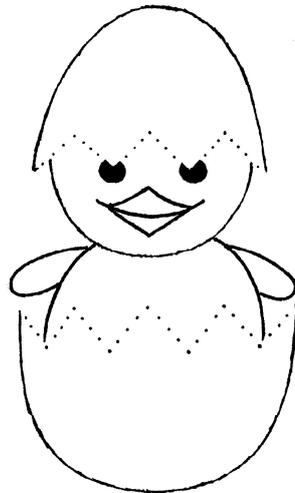

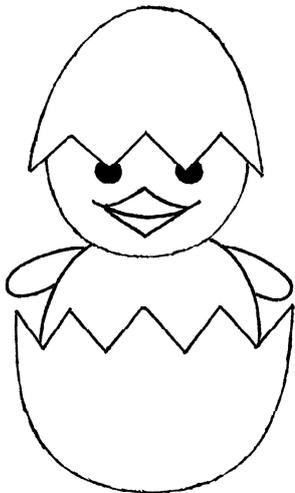

Venku občas potkáváme hlemýždě. Víš, jak se kreslí jejich ulita? Dokresli jim ulity podle vzoru.

KUŘÁTKA

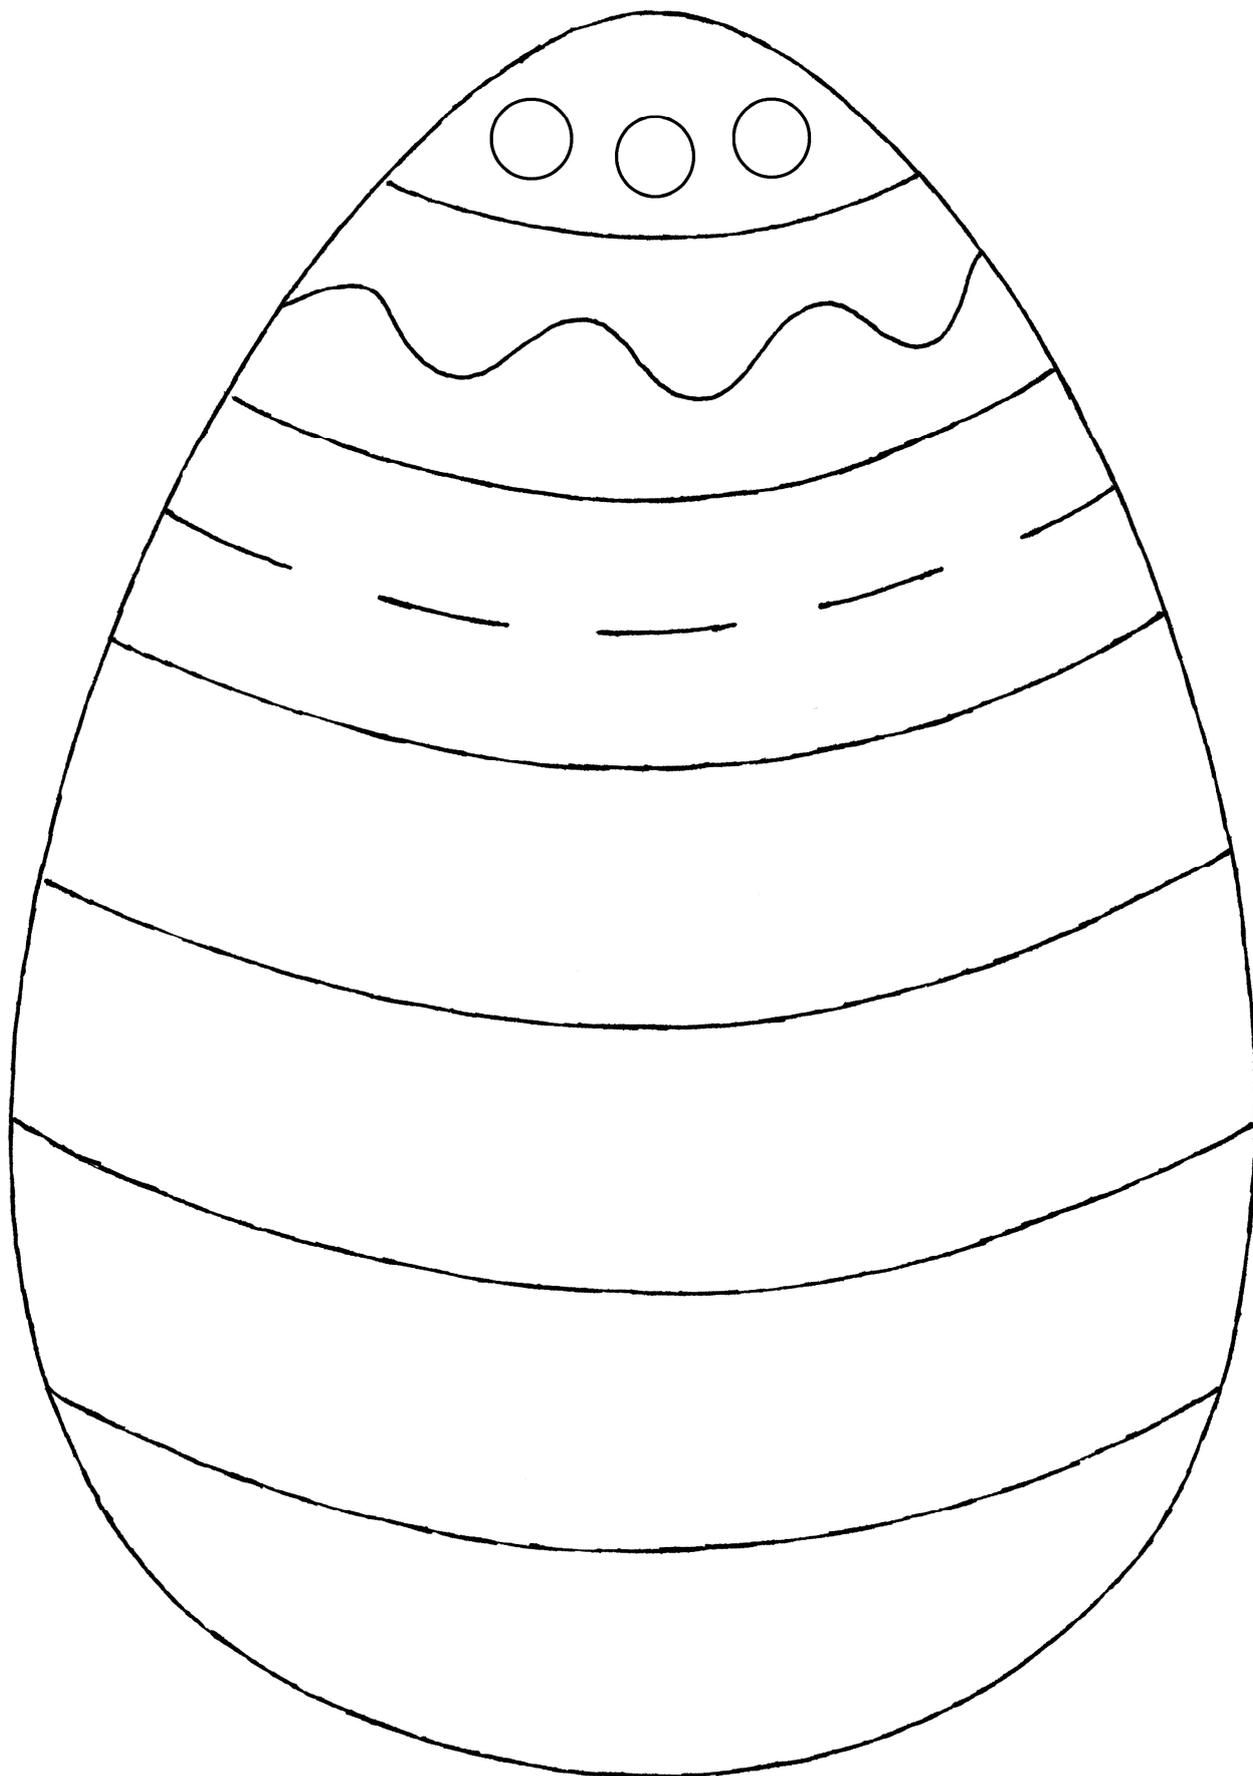

Nakresli skořápky vajíček, ze kterých se právě líhnou kuřátka.

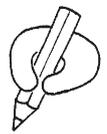

VELIKONOČNÍ VAJÍČKO

Umíš ozdobit velikonoční vajíčko? Pokračuj ve výzdobě.

JABLÍČKA

Stromku na obrázku chybějí jablíčka. Dokresli je. Nezapomeň na uvolnění ruky. Pak můžeš pestrými podzimními barvami dokreslit také listy.
